

July, 1969

Monique Lundi asked me give her thanks to all of those that attended the baby shower thrown in her honor. She was both surprised and pleased. So, let's all prepare to become aunts.

I have received complaints about our communication system. In order to keep the complaints to a minimum I think that if you are asked to call someone regarding an event, you do so as soon as you can. If no one is home, call back, as often as you must. The responsibility rests in your hands, and the complaints do too.

The car wash mentioned in the last newsletter was cancelled. It will be held instead, in September, in order to insure that there will be more sisters present.

There will be a beach party at Hy-Gate with Phi Kapps. Drag or stag. So, if you want some fun, just wait. It will be around the 26<sup>th</sup> of July. We'll be in contact with you. Stay tune!

The Social Works Chairmanship has been handed over to Brenda McCulloch. So, if you are interested in going to the Shriners, contact Brenda.

And here is the latest letter from our family:

"It is so very kind of you to send me dollars

ten with a enclosed letter. Thank you very much, and all your companions for the same.

I am pleased to know that you have finished your examinations and have closed the college for the summer. I wish you an enjoyable vacation.

I am happy to inform you that my son Walter, has passed his matriculation exam. Since I cannot afford to send him for further studies he has to close his school career. All my other children too have passed.

Walter's hands are cured. The rest of us are in good health.

Trust you are enjoyinh good health. This is our prayer for you all.

With very good wish,

Yours gratefully,

(Mercene Pinto)."

The picnic at Rawdon did not go off as planned. There were more alumni present than sisters. Sorry you missed. It was fun.

There will be no meetings this summer. Instead, we are planning all sorts of good events to get us together, and this newsletter to keep us informed. I hope, therefore, that you will be able to attend at least some of our events.

If you are interested, or have the time, keep your eyes opened for an apartment or house for the sorority for the fall. Call Carol, if you come across anything.

Sharon Henley is in Germany; Lorraine McGuirk in Mexico, and Liz McDonald is leaving for Europe, July 4<sup>th</sup>.

I would like to remind the alumni to send in their pictures for the yearbook as soon as possible. Please!

That is all for now. Take care, work hard, and we'll see you at the beach party. O.K.?
